Info The Petit Range is mainly from contracted vineyards that we manage from pruning to harvest, specifically sourced to suit a fruit forward profile, to offer soft, market ready, instantly pleasing easy everyday drinking wines.

Vineyards Situated on the slopes of the Helderberg Mountain, in the heart of South Africa's most famous wine region Stellenbosch, our vineyards are commonly referred to as the Home of Chenin Blanc and other premium award-winning wines. The farm is 40 hectares and roughly 36 hectares of that is under vine. The following grape varieties are on the farm; Chenin Blanc, Sauvignon Blanc, Cabernet Sauvignon, Shiraz, Merlot, Grenache, Mourvedre, Cabernet Franc and Petit Verdot. Aspect: south-east facing slopes.

Harvest 100% Pinotage harvested fully ripe at 25° Balling from blocks specifically selected for their fruity character. Yield: 9 tons per hectare

Vinification Cool fermented after a cold maceration on the skins and pressed off early, before the development of hard tannins. This cheerfully Petit Pinotage reflects the modern fruit driven wine style that is in huge demand today.

Tasting Notes Classic Pinotage aromas of spicy mulberries, plum pudding, and cherries, supported by smoky bacon nuances. Juicy and accessible with soft palate and delicious fruit concentration.

Serve with This cheerfully unwooded wine can be served with a generous slice of pizza or a barbeque, ideal for a 'braai'. Great with lamb. Perfect with almost any happy casual occasion!

Reviews "Stellenbosch grapes in easy to drink 2020. Red fruit of num num, raspberry & sour cherry smartly offset by sweet & supple tannins."

- PS, John Platter's Guide to South African Wines

"A juicy, medium-bodied red, offering an appealing mix of mulberry and blackberry preserve, dried thyme and hints of mocha and loamy earth, framed by soft, dusty tannins. Drink now through 2024. 10,000 cases made.
