## Petit Rosé 2019

CSPC# 800308

750mlx12

13.5% alc./vol.

<b>Chemical Analysis</b>	Acidity: 5.30 g/l	pH: 3.18	Residual Sugar: 4.4 g/l
<b>Grape Variety</b>	79% Grenache, 21% Viognier		
<b>Info</b>	The Petit Range is mainly from contracted vineyards that we manage from pruning to harvest, specifically sourced to suit a fruit forward profile, to offer soft, market ready, instantly pleasing easy everyday drinking wines.		
<b>Vineyards</b>	Situated on the slopes of the Helderberg Mountain, in the heart of South Africa's most famous wine region Stellenbosch, our vineyards are commonly referred to as the Home of Chenin Blanc and other premium award-winning wines. The farm is 40 hectares and roughly 36 hectares of that is under vine. Soil: Duplex soils, in combination with decompose granite and fine sandy loam on a clay base. Trellised vineyard. Age of vines: 9 - 11years. Altitude: 100m. Aspect: East-West Facing		
<b>Harvest</b>	The Rosé project is from vineyards dedicated to Rosé, the fruit is hand harvested as if to produce a white wine with high natural acidity, hence no added acid in the cellar. Yield: 9 - 10 tons per hectare		
<b>Vinification</b>	Crushed and pressed, leaving the skins soaking for an hour or two. This infuses the delicate copper salmon colour unique for Grenache and a cold fermentation in stainless tanks ensures an elegant wine.		
<b>Tasting Notes</b>	This very elegant Rosé overwhelms the nose with aromas of freshly picked strawberries, rose petal and cherry flavours. It follows through on the palate with delicious ripe raspberries with a delicate finish.		
<b>Serve with</b>	Serve with all light summertime meals.		
<b>Scores/Awards</b>	<b>3.5* stars</b> - Fiona McDonald, John Platter's Guide to South African Wines, 2020 <b>88 points</b> - Aleks Zecevic, Winespectator.com - May 2020		
<b>Reviews</b>	<i>"Improves on previous in vivacious strawberry &amp; plum tang from grenache &amp; viognier mix. 2019 light bodied, crisp &amp; easy. Ideal for summer."</i> - FMCD, John Platter's Guide to South African Wines		

*"This fruity blush shows notes of cherry and rosewater, with enough acidity for balance. The finish is moderately long and features some spice. A crowd-pleaser. Drink now. 6,000 cases made."*  
- AZ, Winespectator.com
