Harvest The grapes were hand picked between October 31, 2008 at approximately 23.5 brix.

**Vinification/
Maturation** The wine has gone through a full malolactic fermentation and was aged in French oak for 22 months.

Tasting Notes Our 2008 Kettle Valley Malbec has wonderful soft notes of blueberry. I find that BC Malbec consistently show notes of blueberry and this is not found in Malbecs from other areas. The hot days combined with colder night time temperatures in the Okanagan really allows the fruit flavors to develop and stand out.

Production Total production 250 cases of 750ml bottles.

Scores/Awards **89 points** - wineaccess.ca

Reviews *"One of the few varietally labelled malbecs in B.C., the Kettle Valley Merlot has big, ripe fruits of raspberry, pomegranate and blackberries, with chocolate, smoke and jam notes. Good balance of fruit and tannin on the palate, with berry fruit, spice box, perfume, damp soil and a cool, bitter quality on the finish."*
