CSPC# 43638	12x375ml	14.5% alc./vol.

Grape Variety

100% Pinot Noir

Winemakers Bob Ferguson & Tim Watts

Vineyards This wine is a blend of select barrels of Pinot Noir grown in the Sartor vineyard in Summerland and the Hayman vineyard in Naramata and is a blend of best barrels and pre-selected vineyards based on harvest flavours.

Harvest This year brought our 29th harvest. Hard to believe that all those years have come and gone since we started our first commercial harvest in 1992.

We saw very cool and wet weather in June, which helped delay any forest fires in our area, but made for a slow start to the grape growing season. We saw some good heat units in July and into August before the first fires near Penticton covered us in smoke and then the wildfires in Washington and Oregon blanketed us in smoke for just over a week in early September. Despite the smoke and fires we have not seen any smoke flavours in the grapes. As a pre-cautionary step, we thinned heavily this year. Harvest treated us well, the grapes ripened up nicely and despite a few scary nights when the snow and -10c degree temperatures were forecast we escaped with the low temperatures only reaching -4c or -5c. The was certainly cold enough to knock the leaves off the grape plants but it was not cold enough to damage the grapes.

The grapes were hand-picked on October 12 and October 21, 2020 at approximately 23.3 brix.

**Vinification/
Maturation** This wine has gone through a full malolactic fermentation and was aged in French oak for 20 months before being bottled.

Tasting Notes An intriguing nose full of black cherry, and raspberry fruit leather. This wine has a nose that just won't stop, and the palate is just as rewarding. Bright acidity, silky tannins, bold flavours, and dark Pino Noir colour

Serve with Moroccan lamb and scalloped potatoes; Parmesan & Rosemary crackers (as the Parmesan perfectly complements the black cherries, spices, and sage in the wine)

Production 75 cases of 750ml bottles.

CSPC# 43638	12x375ml	14.5% alc./vol.

Grape Variety *100% Pinot Noir*

Winemakers Bob Ferguson & Tim Watts

Vineyards This wine is a blend of select barrels of Pinot Noir grown primarily in the Brar vineyard in Kaleden and the Hayman vineyard in Naramata and is a blend of best barrels post fermentation.

Harvest Harvest this year had a slow start. Our first pick of the season was Pinot Gris on September 12 from a vineyard down South in Cawston in the Similkameen Valley. Our first pick in Naramata was October 4 and then our next pick wouldn't happen until mid-October. September was rather cool and wet this year, we needed some warm days and cool evenings to allow the grapes to dry out and ripen. We were fortunate to not be affected by the early frosts on October 10 and 11 which hit most of the Okanagan and Similkameen Valleys and killed most of the leaves on the grape vines. We were able to gain additional hang time for the grapes on the vines and see continued development and ripening. The push was on to harvest most of our grapes by October month end. The grapes for this wine were hand-picked between October 12 and October 21, 2020 at approximately 23.3 brix.

Vinification/ Maturation This wine has gone through a full malolactic fermentation and was aged in French oak for 20 months before being bottled.

Tasting Notes Bright dark red colour, medium body wine. An intriguing nose full of plum, black cherry, and raspberry fruit leather. Bright acidity, silky tannins, bold flavours, with hints of vanilla.

Serve with Moroccan lamb and scalloped potatoes; Parmesan & Rosemary crackers (as the Parmesan perfectly complements the black cherries, spices, and sage in the wine)

Production 75 cases of 750ml bottles.

12x750ml

14.0% alc./vol.

Grape Variety

100% Pinot Noir

Winemakers Bob Ferguson & Tim Watts

Vineyards This wine is a blend of select barrels of Pinot Noir grown in the Sartor vineyard in Summerland and the Hayman vineyard in Naramata.

Harvest The grapes were hand-picked on October 5 and October 12, 2018 at approximately 24.8 brix.

**Vinification/
Maturation** The wine has gone through a full malolactic fermentation and was aged in French oak for 19 months before being bottled

Tasting Notes A full-bodied expression of the variety, this wine has aromas of black cherries and spice, with sage and earthy flavours.

Serve with Moroccan lamb and scalloped potatoes; Parmesan & Rosemary crackers (as the Parmesan perfectly complements the black cherries, spices, and sage in the wine)

Production 80 cases of 750ml bottles.

Scores/Awards **92 points** - BCWineTrends.com - May 2019

Reviews *"A big bold dark and foreboding pinot. Black cherries dominate with earthy undertones, spices, and sage. The palate is focused and elegant, showing an exceptional balance of tautness and generosity. Long sage on the finish. Suggest waiting an hour before drinking to let the wine breathe. Worked fabulously with Moroccan lamb and scalloped potatoes."*

Harvest The grapes were hand-picked between October 14, 2014 and October 20, 2014 at approximately 25.2 brix.

**Vinification/
Maturation** The wine has gone through full malolactic fermentation and was aged in French oak for 19 months before being bottled.

Tasting Notes A full-bodied expression of the variety, this wine has aromas of raspberry and spice, with flavours of cherry and raspberry.

Production 200 cases of 750ml bottles.

Scores/Awards **90+ points** - John Schreiner, johnschreiner.blogspot.ca - March 31, 2017

Reviews *"Grapes from one vineyard in Summerland and two on the Naramata Bench are in this wine, which is a selection of the best barrels. The wine aged 19 months in French oak. It is a dark and intense wine with cherry, plum and vanilla on the aroma and the palate. The structure still has some grip. Decant the wine if you are impatient; age it at least five more years if you can. 90+."*

Tasting Notes A full-bodied expression of the variety, this wine has aromas of raspberry and spice, with flavours of cherry and raspberry.
Production 215 cases of 750ml bottles.
Scores/Awards **92 points - John Schreiner, johnschreiner.blogspot.ca - March 12, 2015**
Reviews *"This reserve is a selection of the best barrels of Pinot Noir made with grapes from four different vineyards. The wine, which was aged 20 months in French oak, begins with aromas of ripe plums, black cherries and vanilla. This is echoed by the ripe, even slightly porty, fruit flavours along with savoury hints of truffles. The tannins are elegant and silky, with a lingering finish. The powerful wine is appealing now but also should cellar very well at least until 2022, developing further Burgundian complexity. 92."*

Winemakers Bob Ferguson & Tim Watts

Vineyards This wine is a blend of select barrels of Pinot Noir grown in the Elgert vineyard in Okanagan Falls, the Hayman vineyards in Naramata, and the Thibault vineyard in Summerland.

Harvest The grapes were hand picked between October 21 and November 1, 2008 at approximately 24.7 brix.

**Vinification/
Maturation** The wine has gone through full malolactic fermentation and was aged in French oak for 22 months before being bottled.

Tasting Notes A full-bodied expression of the variety, this wine has aromas of raspberry and spice, with flavours of cherry and raspberry.

Production Total production 174 cases of 750ml bottles.

Pinot Noir Reserve 2007

CSPC# 43638 12x375ml 14.0% alc./vol.

Grape Variety *100% Pinot Noir*

Winemakers Bob Ferguson & Tim Watts

Vineyards This wine is a blend of select barrels of Pinot Noir grown in the Cole and Hayman vineyards in Naramata, and the Thibault vineyard in Summerland.

Harvest The grapes were hand-picked between October 12 and October 15, 2007 at approximately 24.9 brix.

**Vinification/
Maturation** The wine has gone through full malolactic fermentation and was aged in French oak for 20 months before being bottled.

Tasting Notes This is a big, ripe Pinot Noir, generously oaked. It taste now of plums and vanilla. The wine deserves to be cellared a few more years so that it can show off all its potential. In fact, every Kettle Valley red has the structure that rewards patience in the cellar.

Production Total production 284 cases of 750ml bottles.
