Napa Valley Cabernet Sauvignon 2018

CSPC# 714968

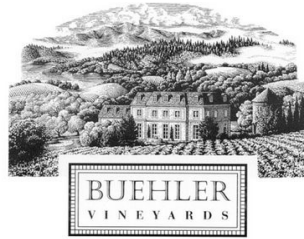

750mlx12

14.7% alc./vol.

Chemical Analysis	Acidity: 6.4 g/l	pH: 3.60	Residual Sugar: g/l
Grape Variety	100% Cabernet Sauvignon		
Winemaker	David Cronin		
Vintage	A cool spring and an excellent fruit set made for a later start than the last several harvests; we began picking on September 26th. Moderate temperatures demanded patience and rewarded those winemakers that waited for flavor development by delivering intensely flavored fruit with good natural acidity.		
Harvest Vineyards	September 26 th - end of October. Our 2018 Napa Valley Cabernet Sauvignon is crafted from Cabernet Sauvignon grown on our estate hillside vineyards (30%) in conjunction with grapes from other mature, high-quality, low-yielding Napa Valley vineyards located on the valley floor. Comprised of 100% Cabernet Sauvignon, the blend produces a wine that displays a broad spectrum of aromas, flavors, and textures that Cabernet can show in the Napa Valley. Compared with the past several years, the 2018 Napa Valley growing season was notable for its lack of severe weather events.		
Vinification/ Maturation	Following a seven-day fermentation, the wine was transferred to barrels before initiating the malolactic fermentation; keeping the wine "dirty" when young greatly increases the impression of roundness and smoothness in the finished wine. The 2018 Napa Valley Cabernet Sauvignon was racked four times in the first year of aging to encourage aromatic and tannin development. It was aged a total of 18 months in a blend of French and American oak barrels.		
Tasting Notes	The wine is brimming with fruit aromas and flavors biased to the black fruit end of the Cabernet spectrum: plums, blackberry, and black currant. Rich and full bodied on the palate, this Cabernet drinks well on release but will soften and develop with additional age.		
Production Cellaring	15,000 cases produced. For those who seek youthful fresh Cabernet fruit aromas and a more structured wine, drink it from 2020 through 2024. If you prefer the less fruity, more developed bottle bouquet aromas and a softer, more velvety wine on the palate, drink it from 2025-2035.		
Scores/Awards	92 points - James Suckling, JamesSuckling.com - December 2020 90 points - James Molesworth, <i>Wine Spectator</i> - August 2021 93 points - Antonio Galloni, <i>Vinous</i> - January 2021 90 points - <i>Wine & Spirits Magazine</i> - October 2021		
Reviews	<i>"A rich, thick red with blackberry and blueberry aromas. Full-bodied with round tannins and a delicious finish. Fleshy cabernet."</i> - JS, JamesSuckling.com		
Reviews	<i>"Good focused red currant and bitter cherry fruit flavors are laced with savory and cedar notes, ending with a light mineral tang. Judicious toast lets it play out nicely. Drink now through 2026. 15,000 cases made."</i> - JM, <i>Wine Spectator</i>		

"The 2018 Cabernet Sauvignon is a terrific introduction to this range from Buehler. Bright and punchy, the 2018 is so expressive, even in the early going. Black cherry, plum, mocha, spice, new leather and mint all race

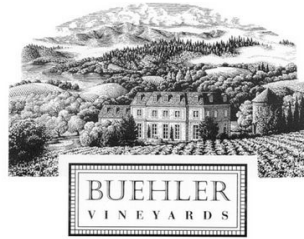

PAST VINTAGES

out of the glass as this beautifully delineated, mid-weight Cabernet shows off its inviting personality. I loved it."

- AG, vinous.com

"This Cabernet's ripe blueberry and blackcurrant scent is distinctly Napa Valley. It fills out with dark plums in the middle, clean and juicy but for the edge of alcohol and smoke, a little rustic, a little elegant."

- Wine & Spirits Magazine

14.7% alc./vol.

Chemical Analysis	Acidity: 6.5 g/l	pH: 3.75	Residual Sugar: g/l
Grape Variety	100% Cabernet Sauvignon		
Winemaker	David Cronin		
Vintage	The 2017 Napa Valley growing season began with record-setting amounts of rain through early April. Growers were challenged by the resulting vine vigor; what initially appeared to be a larger than average crop was tempered by subsequent weather in June. Foggy mornings combined with several heat spikes made for smaller clusters and so our crop ended up a little below average in terms of quantity in the end. Very high temperature the last week of August ensured that picking was under way by the second week of September. Temperatures then moderated and we able to complete the harvest at a more even-paced tempo. Fortunately, the catastrophic fires that began October 8 did not impact our wines; careful screening of the grapes and our resulting wines through their aging in barrels showed no detrimental effects from the fires.		
Vineyards	Our 2017 Napa Valley Cabernet Sauvignon is crafted from Cabernet Sauvignon grown on our estate hillside vineyards (30%) in conjunction with grapes from other mature, high-quality, low-yielding Napa Valley vineyards located on the valley floor. Comprised of 100% Cabernet Sauvignon, the blend produces a wine that displays a broad spectrum of aromas, flavors, and textures that Cabernet can show in the Napa Valley.

Napa Valley Cabernet Sauvignon 2016

CSPC# 714968

750mlx12

14.8% alc./vol.

Chemical Analysis	Acidity: 6.5 g/l	pH: 3.65	Residual Sugar: g/l
Grape Variety	90% Cabernet Sauvignon, 10% Merlot		
Winemaker	David Cronin		
Vintage	The 2016 Napa Valley harvest delivered an early, high quality Cabernet Sauvignon crop that left us wishing for more of a good thing. Yields across our Napa Valley vineyards were down an average of 20% or so from 2015. Average daytime high temperatures were also slightly below average making for slower, more even ripening as well as a less frenzied pace at the winery. As with most early harvests, the late October rains were welcomed since all grapes had long been picked and were safely fermenting away at the winery.		
Vineyards	Our 2016 Napa Valley Cabernet Sauvignon is crafted from Cabernet Sauvignon grown on our estate hillside vineyards (30%) in conjunction with grapes from other mature, high-quality, low yielding Napa Valley vineyards located on the valley floor. Comprised of 90% Cabernet Sauvignon and 10% Merlot, the blend produces a wine that displays a broad spectrum of aromas, flavors, and textures that Cabernet can show in the Napa Valley tempered by the silky, calming influence of Merlot to the structured core.		
Vinification/ Maturation	Following a seven-day fermentation, the wine was transferred to barrels before initiating the malolactic fermentation; keeping the wine "dirty" when young greatly increases the impression of roundness and smoothness in the finished wine. The 2016 Napa Valley Cabernet Sauvignon was racked four times in the first year of aging to encourage aromatic and tannin development. It was aged a total of 18 months in a blend of French and American oak barrels.		
Tasting Notes	The wine is brimming with fruit aromas and flavors biased to the black fruit end of the Cabernet spectrum: plums, blackberry, and black currant. Rich and full-bodied on the palate, this Cabernet drinks well on release but will soften and develop with additional age. For those who seek youthful fresh Cabernet fruit aromas and a more structured wine, drink it from 2018 through 2022. If you prefer the less fruity, more developed bottle bouquet aromas and a softer, more velvety wine on the palate, drink it from 2023-2033.		
Serve with	Try pairing this wine with beef and venison.		
Production	14,000 cases produced.		
Cellaring	For those who seek youthful fresh Cabernet fruit aromas and a more structured wine, drink it from 2017 through 2021. If you prefer the less fruity, more developed bottle bouquet aromas and a softer, more velvety wine on the palate, drink it from 2023-2033.

Reviews	<i>"Hints of graphite, ripe cassis, cherries and violets all align nicely to quality cabernet here. The palate delivers a ripe and approachable core of fleshy, round plum-flavored fruit with spicy oak to close. Drink or hold."</i> - JS, JamesSuckling.com		

PAST VINTAGES

"Rounded and ripe, with cassis and plum puree flavors, laced with warm vanilla and cocoa notes. Offers a friendly, fruit-filled finish. Drink now through 2024. 14,400 cases made."

- JS, Wine Spectator

"The 2016 Cabernet Sauvignon is cut from the same cloth and offers classic Cabernet dark fruits (it actually has some subtle red fruits as well), plenty of cedar and leafy herbs, medium body, and a delicious, easy-drinking, charming style."

- JD, JebDunnuck.com

"Just because you paid \$35 for this wine rather than \$350 doesn't mean you shouldn't treat it to some time in a decanter. With a few hours open, it will transform its rustic scents of sausage, oak and brandied prunes to something fresher, cleaner and impressive for its crunchy red fruit and easy-drinking feel."

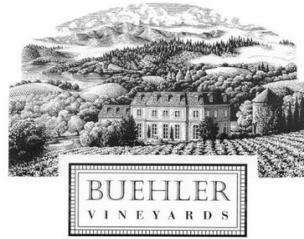

- Wine & Spirits Magazine

"Buehler's 2016 Cabernet Sauvignon (Napa Valley) is a gracious, mid-weight wine that will, drink nicely upon release. Lavender blueberry, mint and sweet spice are all laced together in this supple, perfumed forthcoming Cabernet Sauvignon."- Antonio Galloni

- AG, Vinous

"Very deep garnet-purple colored, the 2016 Cabernet Sauvignon gives up boisterous black cherries and black raspberries scents with touches of red and black currants, spice box and forest floor. Medium to full-bodied and packing in the youthful, uncomplicated black fruits, it has a soft, lively character and appealing vivacity."

Vintage	What a difference two years makes! After the two consecutive challenging vintages of 2010 and 2011, Mother Nature smiled kindly and delivered an even-paced harvest of extraordinary quality! Ideal Spring growing conditions resulted in a very even fruit set since untimely rains and frosts were not an issue. The crop was near-normal in size and was delivered September 22 through Oct 14. The icing on the cake was the absence of any storm clouds on the horizon until very late in the growing season after all of our grapes were safely in.		
Vineyards	Our 2012 Napa Valley Cabernet Sauvignon is crafted from Cabernet Sauvignon grown on our estate hillside vineyards (30%) in conjunction with grapes from other mature, high-quality, low-yielding Napa Valley vineyards located on the valley floor. Grape Variety	100% Cabernet Sauvignon		
Winemaker	David Cronin		
Vintage	The end result of the cool, rainy spring of 2010 was ultimately a harvest that began about two weeks later than “normal”. Growers struggled to meet the demands of the 2010 growing season as the late spring and cool summer required more hand work in the vineyard to ensure that the grapes delivered at harvest were of the usual optimum quality. We started harvesting our Napa Cabernet Sauvignon October 6. In typical fashion for a harvest that begins later than normal, the 2010 harvest lasted a total of four weeks instead of the typical six weeks; there was no rest for the Harvest crew until the Thanksgiving Feast was served.		
Vineyards	Comprised of 100% Cabernet Sauvignon, our Napa Valley Cabernet Sauvignon is crafted from grapes grown on our estate hillside vineyards (30%) in conjunction with grapes from other mature, high-quality, low-yielding Napa Valley Cabernet vineyards located on the valley floor. PAST VINTAGES

"The 2010 Cabernet Sauvignon is a light take on Cabernet Sauvignon. It is made from 100% Napa Cabernet, at \$25, even with its modest score, this is a reasonably good value, which tells you how perverted prices have gotten in Northern California, or Shangri-la, as some would call it."

- RP, Wine Advocate

PAST VINTAGES

Napa Valley Cabernet Sauvignon 2008

CSPC# 714968

750mlx12

14.4% alc./vol.

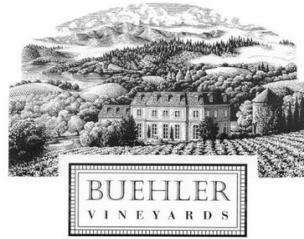

Chemical Analysis	Acidity: 6.2 g/l	pH: 3.69	Residual Sugar: g/l
Grape Variety	100% Cabernet Sauvignon		
Winemaker	David Cronin		
Vintage	2008 had challenging growing conditions that resulted in lower yields. The worst Spring frosts in Napa Valley since 1972 spared our hillside vineyards for the most part; we lost perhaps 5-10% of our crop. Subsequent variable weather over bloom translated to looser clusters and smaller berries. An exceptionally bad fire season in Northern California thankfully left our vineyards intact and we experienced no smoke damage to our fruit.		
Vineyards	Grapes grown on our estate hillside vineyards (30%) in conjunction with grapes from other mature, high-quality, low-yielding Napa Valley Cabernet vineyards.		
Harvest	September 18, 2008		
Vinification/ Maturation	Following a 7-day fermentation, the wine was transferred to barrels before initiating the malolactic fermentation; keeping the wine "dirty" when young greatly increases the impression of roundness and smoothness in the finished wine. The wine was racked four times in the first year of aging to encourage aromatic and tannin development. It was aged a total of 18 months in a blend of French and American oak barrels.		
Tasting Notes	The wine is brimming with fruit aromas and flavors biased to the black fruit end of the Cabernet spectrum: plums, blackberry, blackcurrant. Rich and full-bodied on the palate, this Cabernet drinks well on release but will soften and develop with additional age.		
Production	15,000 cases produced.		
Cellaring	For youthful fresh Cabernet fruit aromas and a more structured wine, drink 2010 - 2014. If you prefer less fruity, softer, and more velvety wine, drink from 2015-2025.		
Scores/Awards	90 points - Robert Parker, Wine Advocate #196 - August 2011 88 points - Steve Heimoff, Wine Enthusiast - August 1, 2011 87 points - James Laube, Wine Spectator - June 30, 2011		
Reviews	<i>"Pretty good price for a Napa Cabernet as elegant as this. It's a polished wine for drinking now. Shows smooth, refined tannins, with interesting flavors of blackberries, red plums, red currants, tobacco and dusty spices. Easy to find, with 15,000 cases produced."</i> - SH, Wine Enthusiast		

"A real steal and one of the greatest sleepers I have tasted from Napa (the Mecca for expensive Cabernet Sauvignons) is Buehler's 2008 Cabernet Sauvignon from their vineyards in Napa Valley. There are only 1,800 cases of this 100% Cabernet Sauvignon, so this offering is likely to disappear quickly from the marketplace. It offers a dark ruby/purple-tinged color, abundant black currant, licorice and smoky tobacco leaf characteristics, medium to full body, a supple, velvety style and impressive purity, texture and length. Consume it over the next 10+ years."

- RP, Wine Advocate

(Winery has confirmed that the above Parker review is definitely for the Napa Valley Cab and not the Estate Cab)

PAST VINTAGES

Reviews *"Elegant and understated, showing spicy berry, cedar, sage and dried herb notes. Medium- to full-bodied, with a subtle layered finish. Drink now through 2017. 15,000 cases made."*

Napa Valley Cabernet Sauvignon 2006

+714968

750mlx12

14.8% alc./vol.

Chemical Analysis	Acidity: 6.0 g/l	pH: 3.75	Residual Sugar: g/l
Grape Variety	100% Cabernet Sauvignon		
Winemaker	David Cronin		
Vintage	The 2006 harvest is remembered as the culmination of a generally cool growing season followed by a rather late arrival of harvest activity. The relatively cool nature of the growing season delivered slowly ripened grapes with perfectly mature skin and seed tannins a week into November; the color of the resulting wines is notably dark. With higher acid levels and lower sugar levels at the optimum stage of flavor development, the word, "balance", best describes the overriding theme of the 2006 Cabernet Sauvignon.		
Vineyards	Comprised of 100% cabernet sauvignon, our Napa Valley Cabernet Sauvignon is crafted from grapes grown on our estate hillside vineyards (30%) in conjunction with grapes from other mature, high quality, low-yielding Napa Valley cabernet vineyards located on the valley floor. We've found the resulting blend to produce a wine that displays a broad spectrum of aromas, flavors, and textures that cabernet can show in the Napa Valley.		
Vinification/ Maturation	Following a seven-day fermentation, the wine was transferred to barrels before initiating the malolactic fermentation; keeping the wine "dirty" when young greatly increased the impression of roundness and smoothness in the finished wine. The 2006 Napa Valley Cabernet Sauvignon was racked four times in the first year of aging to encourage aromatic and tannin development. It was aged a total of 18 months in a blend of French and American oak barrels.		
Tasting Notes	The wine is brimming with fruit aromas and flavors biased to the black fruit end of the cabernet spectrum: plums, blackberry, black currant. Rich and full-bodied on the palate, this cabernet drinks well on release but will soften and develop with additional age. For those who seek youthful fresh cabernet fruit aromas and a more structured wine, drink it from 2008 through 2012. If you prefer the less fruity, more developed bottle bouquet aromas and a softer, more velvety wine on the palate, drink it from 2013-2023.		
Production	15,000 cases		
Scores/Awards	87 points - James Laube, Wine Spectator - July 31, 2007		
Reviews	<i>"Trim and balanced, with an elegant mix of cedary oak, nutmeg, dried currant and mineral notes. Medium- to full-bodied, this tapers off a bit on the finish, but offers lots of complexity, balance and easy-drinking appeal. Drink now through 2014. 15,000 cases made."</i> - JL, Wine Spectator
