## Gouffier Mercurey 1er Cru "Clos l'Eveque" 2016

CSPC# 802186 6x750ml 13.0% alc./vol.

Vineyards

**Grape Variety** 100% Pinot Noir

Winemakers Frederic Gueugneau & Benoit Pagot
Appellation Côte Chalonnaise region (Saône-et-Loire)

Mercurey, situated in the heart of the Côte Chalonnaise (12 kilometers from Chalon-sur-Saône) is one the foremost appellations of Bourgogne. Protected from moisture-bearing winds, tucked away in its hillsides or stretched along the aptly-named "Golden Valley" the vineyards stretch as far as the neighbouring village of Saint-Martin-sous-Montaigu. The AOC status was instituted in 1923. Our Mercurey 1er Cru Clos l'EVEQUE is located in the middle of a big fault. The soil is deep and silty below, clayey and sandy in the middle, and slender and marly above.

The vines grow at heights of 230 to 320 meters. They spread over marls and marly calcic soils of Oxfordian limestone. On the eastern side, they grow in calcic and marly soils. In the west crystalline Jurassic rocks are overlain by gravels. Part of the vineyards belong to the Bathonien. On these white limey soils and red clays, the vines are truly at home.

Reds: 548.68 ha (including 153.80 ha Premier Cru). Whites: 84.59 ha (including 14.71 ha Premier Cru).

**Harvest** The vineyards are all ploughed at this domaine. All the harvesting is done by hand

followed by triage at the domaine.

Vinification/ Cold pre-fermentation maceration. This cuvée is vinified with 40% of the whole Maturation grapes, in 228 L barrels. 1/2 of the barrels are new, in order to bring complexity and

structure to the wine.

In partnership with our cooper, Thierry DOREAU, we pay particular attention to the choice of our parts (name used in Burgundy which designates a drum with a capacity of 228 liters): provenance of the woods, grain quality and types of heating.

16 months of breeding are necessary for its development. The wood of our barrels comes from the forests of DARNAY and ALLIER – just behind the estate. A medium heat toast gives Clos l'Eveque all latitude to blossom.

Tasting Notes The colour is a deep, profound ruby. This crisp-fruited wine evokes strawberry,

raspberry, and cherry. Age brings in notes of underbrush, spicy tobacco notes and cocoa beans. In the mouth this wine is rich, full-bodied, and chewy. In its youth, the

tannins of this wine lend it a mineral firmness.

Serve with This wine brings out the best from beef rib steaks, or joints of beef or lamb, braised

or in sauce. Roast pork is well suited to its rich aromas, as are poultry-based stews. Exotic dishes likewise prove worthy partners for this wine. As for the cheeseboard, this wine harmonizes equally well with either mild, soft cheeses or aged versions.

Serving temperatures: 14 to 15°C for young wines.

Cellaring This wine should be kept in a cool place and, depending on the vintage, can be aged

from 5 to 10 years.
