CSPC# 553123 12x750ml 14.0% alc./vol.

Grape Variety *Cabernet Sauvignon, Cabernet Franc, Merlot, Petit Verdot, Malbec*

Winemakers Bob Ferguson & Tim Watts

Vineyards This wine is a blend of Cabernet Sauvignon, Cabernet Franc, and Merlot, grown primarily in our "Old Main" vineyard with 5% Petit Verdot and Malbec grown in our King Drive vineyard, both located in Naramata

Harvest The Old Main Red was harvested between October 21 and October 28, 2019. The grapes were hand-picked at approximately 24.5 brix. Harvest this year had a slow start. Our first pick of the season was Pinot Gris on September 12 from a vineyard down South in Cawston in the Similkameen Valley. Our first pick in Naramata was October 4 and then our next pick wouldn't happen until mid-October. September was rather cool and wet this year, we needed some warm days and cool evenings to allow the grapes to dry out and ripen.
We were fortunate to not be affected by the early frosts on October 10 and 11 which hit most of the Okanagan and Similkameen Valleys and killed most of the leaves on the grape vines. We were able to gain additional hang time for the grapes on the vines and see continued development and ripening. The push was on to harvest most of our grapes by October month end. Our last pick was the morning of October 29 when we picked the Harvey Riesling.

**Vinification/
Maturation** This wine has gone through a full malolactic fermentation and was aged in French oak for 21 months before being bottled.

Tasting Notes This is a Bordeaux style wine, a big, earthy red, a complex wine with aromas of black currant, hints of vanilla and flavours of currants, blackberries, plums, and figs finishing with soft silky tannins on the palate.

Serve with Great with a Roast leg of lamb; a hearty steak; beef stroganoff; duck confit; fried chicken; or pork ragout.

Production 216 cases of 750ml bottles.

| Grape Variety | <i>Cabernet Sauvignon, Cabernet Franc, Merlot, Petit Verdot, Malbec</i> |
| Winemakers | Bob Ferguson & Tim Watts |
| Vineyards | The Old Main Vineyard, 1.6 hectares (four acres) in size, is on Old Main Road, a thoroughfare near Naramata Village. It slopes to the west, close to Okanagan Lake; it is sun-bathed all summer, but the lake effect tempers the summer heat and keeps the vineyard free of frost very late in autumn. The vineyard was planted intentionally in 1990 and 1991 to make a Bordeaux blend. "We have three varietals in that one vineyard," says Tim Watts, who operates the winery with partner Bob Ferguson. "We have a third each, Cabernet Sauvignon, Cabernet Franc and Merlot." Malbec and Petit Verdot, the other varietals in the wine, were planted subsequently in a nearby Kettle Valley vineyard. |
| Harvest | The three varieties in Old Main Road usually ripen evenly enough that the winery picks them at the same time. The grapes for the Old Main Red blend are co-fermented rather than blended later. "We usually pick them together, crush them together," Tim says. "There have been a couple of times when we have separated out the Merlot because acids were falling, and it was not going to be ideal by the time the Cabernet Sauvignon was ready. For the most part, we pick them altogether. It makes a difference. If you wait a couple of years and then blend things, it will taste like a Cabernet and a Merlot blended together. If you start right from the beginning, it becomes much more harmonious and develops its own set of flavours rather than combinations of the components." |
| Vinification/ Maturation | Old Main Red ages an average of 20 months in French oak barrels (mostly used barrels) before being bottled. "We started off with one year of barrel aging," Tim says. "We did that for a while until we discovered that it made a huge difference when the wine aged in oak for a second year. There is so much concentration that goes on in that barrel. We don't do any humidifying in the barrel room; we are actually looking to have some of that |

evaporation and concentration.”

Tasting Notes The Old Main Red from Naramata producer Kettle Valley is the winery's take on a Bordeaux-style blend, and it is a winner. The deep garnet coloured charmer is elegant on the nose and palate and has a long, balanced finish.

Serve with Great with a Roast leg of lamb; a hearty steak; beef stroganoff; duck confit; fried chicken; or pork ragout.

Production Total production 430 cases of 750ml bottles.

Scores/Awards **93 points** - John Schreiner on Wine - January 10, 2016

“This wine begins with appealing aromas of spice, cassis, lingonberry and vanilla. On the palate, the vibrant fruit flavours of black cherry, blackberry and plum are framed with notes of vanilla and oak. The tannins are firm but not harsh. The wine should be decanted to immediate consumption; it has the structure and concentration to continue to improve for the next decade before it plateaus. 93.”
