Winemakers Bob Ferguson & Tim Watts

Vineyards This wine is a blend of Pinot Noir grown in the Brar vineyard in Kaleden and the Hayman vineyard in Naramata

Harvest This year brought our 29th harvest. Hard to believe that all those years have come and gone since we started our first commercial harvest in 1992.

We saw very cool and wet weather in June, which helped delay any forest fires in our area, but made for a slow start to the grape growing season. We saw some good heat units in July and into August before the first fires near Penticton covered us in smoke and then the wildfires in Washington and Oregon blanketed us in smoke for just over a week in early September. Despite the smoke and fires we have not seen any smoke flavours in the grapes. As a pre-cautionary step, we thinned heavily this year. Harvest treated us well, the grapes ripened up nicely and despite a few scary nights when the snow and -10c degree temperatures were forecast we escaped with the low temperatures only reaching -4c or -5c. The was certainly cold enough to knock the leaves off the grape plants but it was not cold enough to damage the grapes.

The grapes for the Pinot Noir were handpicked on October 12 and October 21, 2020, at approximately 24.8 brix.

**Vinification/
Maturation** The wine was allowed to go through a full malolactic fermentation and was aged in French oak for 15 months before being bottled

Tasting Notes Earthy light oak and a hint of tart berries cut a swath through this otherwise earthy Pinot Noir.

Serve with Peking Duck. Roasted Beef Tenderloin. Bacon stuffed mushrooms.

Production 180 cases

Vineyards This wine is a blend of Pinot Noir grown in the Sartor vineyard in Summerland, and the Hayman vineyard in Naramata.

Harvest Harvest this year had a slow start. Our first pick of the season was Pinot Gris on September 12 from a vineyard down South in Cawston in the Similkameen Valley. Our first pick in Naramata was October 4 and then our next pick wouldn't happen until mid-October. September was rather cool and wet this year, we needed some warm days and cool evenings to allow the grapes to dry out and ripen.

We were fortunate to not be affected by the early frosts on October 10 and 11 which hit most of the Okanagan and Similkameen Valleys and killed most of the leaves on the grape vines. We were able to gain additional hang time for the grapes on the vines and see continued development and ripening. The push was on to harvest most of our grapes by October month end. Our last pick was the morning of October 29 when we picked the Harvey Riesling.

As we finish off our 28th year, as the oldest single-owner winery on the Naramata Bench, we still remain dedicated to making and sharing great wines from BC grapes. Our family's commitment is as strong as ever to farming full flavoured grapes and to winemaking that brings out the best of those flavours and subtleties.

Whether you've known us for all these years or are just coming on-board, thanks for your support and raise a glass to fine fruit, family, and friends.

**Vinification/
Maturation** The wine was allowed to go through a full malolactic fermentation and was aged in French oak for 16 months before being bottled.

Tasting Notes Earthy light oak and a hint of tart berries cut a swath through this otherwise earthy Pinot Noir.

Serve with Peking Duck. Roasted Beef Tenderloin. Bacon stuffed mushrooms.

Bob Ferguson & Tim Watts

Vineyards

This wine is a blend of Pinot Noir grown in the Elgert vineyard in Okanagan Falls, Thibault vineyard in Summerland, the Cole, Becker and Trovao vineyards on the Naramata Bench and the Marchand vineyard on the Westbench in Penticton.

Harvest

The grapes were hand-picked between October 10 and October 20, 2007, at approximately 24.4 brix.

Vinification/

Maturation

The wine was allowed to go through a full malolactic fermentation and was barrel fermented in French oak for 16 months before being bottled.

Tasting Notes

Light red color typical of varietal. Very oaky, not much fruit on the nose. Some peppery notes going down with good complexity
