This wine shows a fresh combination of pomegranate, plums, cherries, and an herbal note of fennel. The fresh fruity flavours are accentuated by bright acidity on the palate and supported by fine tannins. Flavours of caramel and mocha are balanced by savoury notes of cured meat that bring complexity to the wine. A note of pomegranate leaves a fresh finish.

*Serve with substantial foods including grilled or barbequed lamb, slow cooked lamb shanks, beef, and game meats.*

SOUTH AFRICA

Perfumed aromas of violet combine with rich black fruit – plum, cassis and black berry. The bold fruit is tempered by savoury spiciness on the palate, with bay leaf, allspice, and a hint of cured meat. Fine tannins add a bit of grip, and the wine has a long dry finish.

*An ideal partner for beef, lamb, spicy food, and mature, hard cheese.*
