

BUEHLER VINEYARDS

(NAPA VALLEY, CALIFORNIA)

www.buehlervineyards.com

Buehler Vineyards is a small, family-owned winery located in the mountains east of St. Helena in Napa Valley. Situated north of Pritchard Hill and Conn Valley, near the base of Howell Mountain, our hillside vineyards are planted primarily to Cabernet Sauvignon, with smaller blocks of old-vine Zinfandel.

Our family has been farming this beautiful estate for thirty-six years. We combine that experience and the unique terroir of our hillside vineyards with low yields, meticulous vineyard management, and minimalist winemaking techniques to create wines of uncommon complexity and depth, and to present these wines to wine lovers at reasonable prices.

Napa Valley Cabernet Sauvignon 2022

CSPC# 714968

12x750ml

14.5% alc./vol.

| | | | |
|--------------------------|--|----------|---------------------|
| Chemical Analysis | Acidity: 6.1 g/l | pH: 3.68 | Residual Sugar: g/l |
| Grape Variety | 100% Cabernet Sauvignon. | | |
| Winemaker | David Cronin | | |
| Vintage | The 2022 Napa Valley vintage was a year of extreme weather, characterized by a cool, uneventful growing season followed by a record-breaking heatwave. Temperatures soared past 100° F (and in some areas, up to 116° F) for six consecutive days in early September. This "tale of two harvests" created significant vintage variation across the valley. The 2022 Cabernet pick was showcased by two very separate harvests: the first for our Estate Cabernet blocks and the other for our Napa Valley blocks some fifteen miles to the south. The two days of unseasonal heat around September 5 initiated a flurry of activity in the vineyard to pick our Estate grapes within a couple days while our Napa Valley Cabernet grapes enjoyed another two weeks on the vine allowing for a long and leisurely harvest. Predictably, the Napa Valley blend is a brighter, vibrant rendition compared to the deeper, darker, Estate bottlings. | | |
| Vineyards | Our 2022 Napa Valley Cabernet Sauvignon is crafted from Cabernet Sauvignon grown on our estate hillside vineyards (30%) in conjunction with grapes from other mature, high-quality, low-yielding Napa Valley vineyards located on the valley floor. Comprised of 100% Cabernet Sauvignon, the blend produces a wine that displays a broad spectrum of aromas, flavors, and textures that Cabernet can show in the Napa Valley. | | |
| Winemaking | Following a seven-day fermentation, the wine was transferred to barrels before initiating the malolactic fermentation; keeping the wine "dirty" when young greatly increases the impression of roundness and smoothness in the finished wine. The 2022 Napa Valley Cabernet Sauvignon was racked four times in the first year of aging to encourage aromatic and tannin development. It was aged a total of 18 months in a blend of French and American oak barrels. | | |
| Tasting Notes | The wine is brimming with fruit aromas and flavors biased to the black fruit end of the Cabernet spectrum: plums, blackberry, and black currant. Rich and full-bodied on the palate, this Cabernet drinks well on release but will soften and develop with additional age. | | |
| Serve with | Grilled Meats, Roast Beef, Mature Cheeses. | | |
| Production | 9,700 cases produced. | | |
| Cellaring | For those who seek youthful fresh Cabernet fruit aromas and a more structured wine, drink it from 2025 through 2029. If you prefer the less fruity, more developed bottle bouquet aromas and a softer, more velvety wine on the palate, drink it from 2030-2040. | | |
| Scores/Awards | 87 points - James Molesworth, Wine Spectator - August 2025 91 points - James Suckling, Jamessuckling.com - October 2025 91 points - Wine Enthusiast, Elaine Chukan Brown - February 2026 | | |

Reviews *“An open-knit red, with a direct core of red and black cherry compote lined with light vanilla and savory notes. Shows a subtle tug of earth through the finish. Drink now through 2026. 9,700 cases made.”*
- JM, Wine Spectator

“Dark-fruited aromas with real intensity and depth, supported by undertones of mulberry bush, earth, tobacco and dried herbs. The palate is full-bodied with a textural, rounded mouthfeel, integrated tannins and a long, persistent finish. Not for the faint-hearted, but plenty to like.”
- JS, JamesSuckling.com

“Full-bodied with ample intensity, this Cabernet Sauvignon showcases the bold side of the variety with black fruits and savory flavors. Lightly tactile tannins linger.”
- ECB, Wine Enthusiast
